Update on Camp Creek Rd fire: Still holding with retardant and bucket drops. 1-2 acres. Will have to hike in a few miles or all crews be flown in. Most equipment still in staging. Lat/long below: N 39.874739 W 121.378188

6:41 PM

Again, tell your supervisors if we're not freaked out, they shouldn't be freaked out! And btw, rarely will we ever be freaked out. Have a nice evening

6:41 PM

Is this the Dixie fire?

6:41 PM

6:42 PM

They want me to drop it in teams

6:44 PM

Then show PSS and SIPT E-213 at scene/staging, I'm providing PSS support remotely as has no cell coverage in the canyon
